**ADJUDICATOR RECOMMENDATIONS TO THE FCMF NATIONAL MUSIC FESTIVAL**  
**NON-COMPETITIVE EDUCATION STREAM – JUNIOR LEVEL REPERTOIRE**

The FCMF National Music Festival’s new Non-Competitive Education Stream for junior-level students is available in 2022 with classes available in voice, piano, strings, guitar, woodwinds, brass, percussion, and musical theatre. This is a virtual opportunity. Participants get adjudication comments and receive a certificate with a seal indicating the standard of performance achieved.

Adjudicators **at each affiliated local festival** may recommend **one** junior-level student [18 years and under, studying at a level comparable to Conservatory grades 4-7] per discipline directly to the virtual FCMF National Non-Competitive Education Stream [NCES].

**Festival Administrators:** This is a list of individuals recommended to the FCMF National Music Festival. This form does not constitute entry to the national festival. Immediately following the conclusion of your festival, please email these recommendations to the FCMF office [info@fcmf.org](mailto:info@fcmf.org)

Each recommended competitor must register at <https://fcmf.org/2022nmfregistration/> by **July 5**. A YouTube link to the performance video with both selections is required for registration. As well, a clear, scanned copy of each score (including a picture of the cover) must also be uploaded. If the score is a digital download, a copy of the receipt is to be included. All copyrights regarding music must be observed.
